Summit Together

Summit Together's mission is to ensure that SHS students and their families are connected to a supportive network of student leaders, parents and community members in order to improve their success and happiness in school. We are establishing parent and teen support, through bi-monthly education workshops and public speakers at Summit High School. We are asking and discussing- what's affecting our teens' daily lives, health and well being. We want to know - what do you find compelling, what are you concerned about and how may we help support and inform you?

Canvas

Canvas is BLSD's learning management system. This is where you will find the most up to date information regarding student grades and assignments. *ALL GUARDIANS MUST [MAKE AN OBSERVER ACCOUNT TO VIEW STUDENT GRADES AND ASSIGNMENTS](#)*. [Click here](#) for more parent/guardian information and help regarding Canvas.

ParentVue

ParentVUE™ is Bend-La Pine Schools' parent web portal to student information. ParentVUE™ is a tool to monitor your child's education progress. Parents of our secondary students will have access to final report cards, attendance, their student's current IEP, progress reports and school announcements. If a parent does not have a ParentVUE account, email karen.young@bend.k12.or.us to request an activation code and instructions. [Click here](#) for more information and help about ParentVue.

Communicate with a Teacher

Teachers will routinely update grades that may be seen through Canvas. We encourage students to be their own advocate and talk directly with staff members about their concerns. However, if you need to contact a teacher with a question or concern, here are two ways you can do that:

1. Email: Go to our website and choose 'Contact Us' on the 'School Information' tab.
2. Phone: Call the Main Office at 355-4001 and you will be transferred to their extension.

Oregon Attendance Laws

ORS 339.010 School Attendance Required; Age Limits. Except as provided in ORS 339.030, all children between the ages of 7 and 18 years of age who have not completed the 12th grade are required to attend regularly a public full-time school of the district in which the child resides.

ORS 339.020 Duty to Send Children to School. Except as provided in ORS 339.030, every person having control of any child between the ages of 7 and 18 years who has not completed the 12th grade is required to send such child to and maintain such child in regular attendance at a public full-time school during the entire school term.

ORS 339.065 Estimates of attendance; irregular attendance; excused absences.

- (1) In estimating regular attendance for purposes of the compulsory attendance provisions of ORS 339.005 to 339.030, 339.040 to 339.125, 339.137, 339.420 and 339.990, the principal or teacher shall consider all unexcused absences. Eight unexcused one-half day absences in any four-week period during which the school is in session shall be considered irregular attendance.
2. An absence may be excused by a principal or teacher if the absence is caused by the pupil's sickness, by the sickness of some member of the pupil's family or by an emergency . . . or for other reasons where satisfactory arrangements are made IN ADVANCE of the absence.

*State Law also requires that any student with 10 or more consecutive days absent MUST be dropped from enrollment. Upon return to school the student may be re-enrolled. To re-enroll students must meet with a Counselor or Administrator.

Students who miss 10 minutes or more of class without an excused slip from the Attendance Office will be marked as unexcused absent, per [BLSD JEA-AR](#).

Reasonable Suspicion Threshold

"In order to 'strike the balance between the schoolchild's legitimate expectations of privacy and the school's equally legitimate need to maintain an environment in which learning can take place,' the Court found that school officials could search students without a warrant or probable cause, needing instead only reasonable suspicion 'that the search will turn up evidence that the student has violated or is violating either the law or the rules of the school.'" Harvard Law Review: <https://harvardlawreview.org/2015/04/policing-students/> 8-30-2019

Person with Disability Accessibility

All areas of the campus at Summit High School are accessible to the handicapped. Visitors, parents, and staff needing additional information for the handicapped are encouraged to contact Karen Young, Office Manager, Summit High School.

Students of Legal Age

Every student 18 years of age or older shall be deemed an adult and shall have the same rights and responsibilities as an adult. Adult students, like all other students, shall comply with the Board policy, established rules, pursue the prescribed course of study and submit to the authority of teachers and administration.

General Expectations

Attendance & Tardy Policies

Good attendance is an early indicator of success at school. Below is a simplified list of policies SHS and parents will follow. More details can be learned from the Attendance Office staff:

- Call by 11am to report an absence: x4015.
- Those students not reported will be contacted by our automated calling system that day.
- Students have **48 hours** to excuse an absence before it is recorded as unexcused.
- Students who must leave during the school day must sign out at the Attendance Office.
- Students with excused absences have the number of days gone plus one to make up class work without penalty.
- Students shall contact their teachers concerning assignments missed during an absence.
- Pre-arranged absences may be made for non-illness or emergency absences, such as vacations.

TARDIES

Being on time to class is important for student learning and a distraction free environment. Students arriving late, within the first 10 minutes of class, will be marked tardy.

Tardy #1-3: Classroom teacher will issue a warning and may contact home.

Tardy #4: Classroom teacher fills out Tardy Referral Form and contacts home. Office will assign lunch detention.

Tardy #5-6: Classroom teacher fills out Tardy Referral Form, Admin calls home, SIT time (Wednesday after school detention) will be assigned.

Tardy #7+: Attendance office & administration will determine next steps, Ex: ISS and parent meeting. Admin stays in contact with the classroom teacher and home about next steps.

UNEXCUSED ABSENCES

Any time a student misses 10 or more minutes of class without an excused slip from the attendance office, they are unexcused absent from class, per [BLSD JEA-AR](#).

Unexcused absence #1: the attendance office will issue a warning to the student, parents/guardians will be notified.

Unexcused absences #2-3: lunch detention will be assigned, parents/guardians will be notified.

Unexcused absences #4-5: SIT time will be assigned, parents will be notified.

Unexcused absences #6: ISS will be assigned, parents will be notified.

Additional unexcused absences: attendance office & administration will determine next steps.

Students who do not maintain at least 90% attendance rate may be denied access to dances and extra curricular activities. At times students experience extenuating circumstances that prevent them from attending school frequently. If you fail to hit the 90% attendance mark, but would like to file an appeal to attend a school-sponsored event, please contact a Summit administrator.

Off Campus at Lunch

Summit has an open campus during lunch for grades 10-12. Students are expected to be good neighbors to our community and to return to school on time. Administration reserves the right to remove this privilege if it becomes a barrier to academic progress or behavior concerns. Freshmen are expected to stay on campus 1st semester. Campus will be open for freshman 2nd semester based on attendance, grades and behavior.

Dress and Grooming

The Bend-La Pine School District has a dress and grooming policy designed to provide a quality education in a safe, secure and orderly environment. Students at SHS are expected to dress appropriately for school. For safety reasons, shoes must be worn at all times. Students will be asked to change if their clothing displays drugs, alcohol, illegal/derogatory acts or statements or has been deemed otherwise in appropriate. Summit High School's dress code is in accordance with district regulation "JFCA-AR: Student Code of Dress, available [here](#),"

General Expectations *continued*

Visitors to Summit

Campus Security at Summit is a high priority. Here are the requirements for anyone wishing to visit SHS:

- All visitors must check in at the Main Office upon entering the building.
- Approved visitors are given a printed badge identifying them and must be worn while on campus.
- Parents wishing to visit classrooms need prior approval from the teacher and Administration.
- Student visitors are rarely allowed on campus and must have Administrative approval.

Student Management

SHS Discipline Philosophy

Summit High School strives to create a safe and positive community for students to learn and grow, so when complications occur SHS acts swiftly and appropriately.

We believe:

- Teens know the difference between right and wrong, especially when they have been taught and reminded of appropriate choices while in school.
- Schools should partner with families while using logical consequences to student actions with the goals of changed behavior at school and strengthened character for life.
- Summit Staff, Support Staff, Teachers, and Administration believe that punishments do not change behavior, and do their best to personalize discipline. They will work with individuals on an as-needed basis using Restorative Justice techniques.

General School Response

Loss of Privilege: Attendance at school events (games, dances, etc.), or off-campus at lunch.

Campus Community Service: Work with the custodians around SHS after school.

Lunch Detention: Students eat lunch in supervised assigned area away from peer groups for one or more days. Students may not be on cell phones or other personal electronic devices during lunch detention.

Actions and Consequences

Below is a partial list, in alphabetical order, of conduct in violation of school policy and the associated school response. SHS sees these as both logical outcomes of poor choices as well as levers to change behaviors. In order to partner with parents for their student, parents will be notified of a student's action and the school-issued consequence - most of these are also violations of the Athletic Contract, and will be addressed as such.
